BIBLIOGRAPHICAL INDEX.

September-December, 1898.

(NOTE.—The following subject index is intended to continue the work begun in the first (March, 1897) issue of MUNICIPAL AFFAIRS, which was entirely devoted to a Bibliography of Municipal Administration and City Conditions. In subsequent numbers, the Index was made complete to September 1st. So far as possible all books, pamphlets and magazine articles of interest to students of city government which have appeared during the last three months, September—December, 1898, are included in the following list. Future numbers of MUNICIPAL AFFAIRS will contain similar indices covering the literature of each preceding quarter.
